**SECTION 63.71 APPLICATION OF MIDWESTERN TELECOMMUNICATIONS, INC.  
TO DISCONTINUE SERVICE**

Midwestern Telecommunications, Inc. ("Midwestern Telecom" or "MTI"), by its counsel, hereby seeks authorization pursuant to Section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 214(a), and Section 63.71 of the rules of the Federal Communications Commission ("Commission"), 47 C.F.R. § 63.71, to discontinue its provision of resold wireline local telephone services.

The impact on the public of the planned discontinuance will be minimal because there are only approximately 2,380 customers currently using the services to be discontinued. All affected customers have a wide range of other choices from which to obtain local telephone services, including the incumbent local exchange carrier in each area.

In support of its Application, Midwestern Telecom provides the following information:

**1. Name and Address of Carrier (47 C.F.R. §§ 63.71(a)(1), (b)(2)):**

Midwestern Telecommunications, Inc.  
P.O. Box 590  
Oak Forest, IL 60452

A copy of correspondence concerning this Application should be directed to:

**2. Date of Planned Service Discontinuance (47 C.F.R. §§ 63.71(a)(2); (b)(2)):**

Subject to the Commission's authorization to discontinue service pursuant to Section 63.71(c) of the Commission's rules, effective on or after February 20, 2012, MTI will discontinue its service.

**3. Points of Geographic Areas of Service Affected (47 C.F.R. §§ 63.71(a)(3), (b)(2)):**

Subject to the Commission's authorization, MTI will discontinue service in Alabama, California, Florida, Illinois, Indiana, Michigan Ohio, and South Carolina.

**4. Brief Description of Type of Service Affected (47 C.F.R. §§ 63.71(a)(4), (b)(2)):**

The affected services are resold wireline local telephone services. Specifically, MTI provides wireline telecommunications services to customers by reselling the service of the incumbent local exchange carrier, in most cases, AT&T.

**5. Brief Description of the Dates and Methods of Notice to All Affected Customers (47 C.F.R. § 63.71(b)(3)):**

In accordance with 47 C.F.R. §63.71(a), Midwestern Telecom has notified all affected customers of the planned discontinuance. Specifically, MTI sent notification letters via first class U.S. Mail to each of the affected residential customers on January 5, 2012, and to each of the affected business customers on January 18, 2012. In the notice letters, MTI provided customers with a toll-free number to an MTI customer service representative to answer any questions regarding the letters. Sample notification letters for each state in which service is to be discontinued is attached to this Application as Exhibit A.

As required by Section 63.71(a) of the Commission's rules, copies of this Application are being sent via first class U.S. Mail to the governor and public utility commission for each impacted state, as well as to the Special Assistant for Telecommunications at the Secretary of Defense. A service list is attached to this Application as Exhibit B.

**6. Regulatory Classification of Carrier (47 C.F.R. § 63.71(b)(4)):**

Midwestern Telecom is a non-dominant carrier with respect to the services to be discontinued.

## CONCLUSION

WHEREFORE, Midwestern Telecommunications, Inc. respectfully requests that the Commission authorize the proposed discontinuance of service on or before February 20, 2012.

Respectfully submitted,

---

Dear MTI Customer:

Effective February 5, 2012 (unless required by law to extend that date), Midwestern Telecommunications, Inc. ("MTI") will voluntarily surrender its Alabama certificate of authority to serve as a local exchange company and terminate its operations in Alabama. We are providing you with this notice so that you may arrange for continued service with a new service provider. If you wish to continue to receive communications service, you must contact the communications service provider of your choice for new service. If you fail to choose a new communications service provider on or before the date of MTI's cessation of operations, February 5, 2012, you will be without telephone service.

MTI's address is:

MTI  
PO Box 590  
Oak Forest IL 60452

This discontinuance will affect all telephone services, whether prepaid or monthly billed, offered by MTI anywhere in the State of Alabama.

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of Midwestern Telecommunications Inc. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

We apologize for any inconvenience this may cause you. If you have any questions regarding this notice, please contact an MTI customer service representative at (877)567-3722.

Sincerely,

Midwestern Telecommunications, Inc.
